## Action steps toward future dreams !

This month we welcome Dr. Erin Grimm from the Allegheny Intermediate Unit. We will discuss active steps to take in elementary and middle school that help children learn about themselves and plan for their future dreams. Our focus is on students with special needs IEPs or 504s, but all are welcome to attend. A Zoom link will be sent through our email distribution list. To be added, email [nasepng1@gmail.com](mailto:nasepng1@gmail.com).
